Region 9

Dear Ms. Strauss:

Enclosed are revisions to the California State Implementation Plan (SIP). These revisions consist of adopted and amended rules, listed in Enclosure A, from the following air pollution control and air quality management districts (districts).

Antelope Valley Air Quality Management District
Mojave Desert Air Quality Management District
Ventura County Air Pollution Control District

Also enclosed is Air Resources Board Executive Order S-17-003 adopting the districts' rules as revisions to the SIP. To meet the U.S. Environmental Protection Agency criteria for determining that rule submittals are administratively and technically complete, we have enclosed evaluations of the effects of the rules on emissions, evaluations of the rules' consistency with 40 CFR 51, and other supporting documentation provided to us by the districts. One compact disc and one paper copy, each containing the revisions in their entirety, are enclosed.

If you have any questions, please have your staff contact Ms. Karen Magliano, Chief, Air Quality Planning and Science Division, at (916) 322-5350 or by email at Karen.Magliano@arb.ca.gov.

Sincerely,

Richard W. Corey
Executive Officer
